## IEST Alliance for Excellence Partners Advance Global Sustainability:

*We are dedicated to advancing global sustainability and supporting the UN Sustainable Development Goals through standards, recommended practices, and educational programs. Our commitment drives positive change, ensuring long-term success for us and our partners, and contributing to the following UN SDGs:*

- ✓ **Goal 3: Good Health and Well-Being**  
IEST promotes standards and practices that enhance healthcare services, patient safety, and better health outcomes.
- ✓ **Goal 4: Quality Education**  
IEST offers foundational and advanced training, ensuring the next generation of professionals is equipped with the skills and knowledge required to succeed.
- ✓ **Goal 6: Clean Water and Sanitation**  
We promote contamination control standards and practices that improve water safety, sanitation, and overall water quality.
- ✓ **Goal 9: Industry, Innovation, & Infrastructure**  
IEST develops standards to improve processes, foster innovation, and create resilient, sustainable infrastructure.
- ✓ **Goal 12: Responsible Consumption & Production**  
We help organizations implement sustainable practices and improve resource efficiency to promote responsible consumption.
- ✓ **Goal 13: Climate Action**  
IEST advocates for standards that reduce emissions, enhance energy efficiency, and improve climate resilience.
- ✓ **Goal 17: Partnerships**  
IEST fosters global partnerships to share knowledge and collaborate on initiatives that advance sustainable industry practices.
